About Hamilton Beattie & Staff:

Hamilton Beattie & Staff is a public opinion research firm with offices in Washington, D.C., and Fernandina Beach, Florida. Founded in 1964 by Bill Hamilton, HB&S is one of the oldest polling firms in the country. For nearly 40 years, HB&S has provided strategic research to political candidates at every level, from city council to President, as well as for public interest groups, labor unions, media outlets and private businesses, both domestically and internationally.

With extensive experience in conducting Spanish language surveys for such organizations as Editora HOY in the Dominican Republic, nationally for EMILY's List, and for political candidates in the U.S. and Latin America, Hamilton Beattie & Staff received the 2002 American Association of Political Consultants' "Pollie" award for excellence in bilingual research.

Based in Florida, HB&S has studied and developed unmatched expertise in all parts of the state, from the Panhandle to the Keys, contributing over the firm's long history to the successful candidacies of governors, senators and representatives, down to local races and ballot initiatives. David A. Beattie, the firm's president, teaches a graduate political science class at the University of Florida.
